Patent No. 6,723,975
Application No. 10/068,740
Filed: February 5, 2002
Issued: April 20, 2004
Attorney Docket No. H0001788

ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed July 7, 2008, to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

The patent issued April 20, 2004. The last day of the grace period for paying the 3.5-year maintenance fee was April 20, 2008. Therefore, since this petition was filed within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), this petition was timely filed under the provisions of 37 CFR 1.378(c).

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay in paying the maintenance fee was in fact unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay in paying the maintenance fee was intentional, petitioner must so notify the Office. Also, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute this patent. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed solely to the address currently of record until such time as appropriate instructions are received to the contrary.

Petitioner should note that submission of a power of attorney and/or a change of correspondence address would not affect the fee address. Therefore, if petitioner desires to receive future correspondence, which may be mailed regarding maintenance fees for the above-identified patent, the "fee address" and/or "customer number" forms should be submitted to the Maintenance Fee Division.

Telephone inquiries concerning this decision should be directed to Alicia Kelley at (571) 272-6059.

A handwritten signature in black ink, appearing to read "Sherry D. Brinkley". The signature is fluid and cursive, with the first name "Sherry" being more prominent than the last name "Brinkley".
